

SPRING LOBBY DAYS

Since we never can be sure what the weather will be like in March, we will not have a Harrisburg Lobby Day in March. I encourage all congregations to pick a day that works for your team and visit your local PA House of Representative and Senator. If you don't know who your elected leaders are, go to our website, pull down resources, and "Find your Legislator."

April, May and June Lobby Days are being arranged. Rev. Joan sets up as many face-to-face visits as possible. We meet on the lower level near the cafeteria in the morning. Our meeting time is determined by our first appointment. In addition to our face-to-face meetings, we hand out a one-page position paper on the topic to members of the relevant committee and sometimes others who we think may be persuadable. We make a specific ask, on a specific bill each time.

On **Tuesday, April 12** please join our reproductive justice team to fight to save reproductive justice in PA.

On **Tuesday, April 29** we will join with our partner Cease Fire PA in a rally in the Capital rotunda and follow their lead on legislative visits. Gun Violence Prevention affects us all.

Finally, on **Tuesday, May 26** (in the closing days of the budget process) we will lobby for fair and equitable funding of our education system.
